

We are the Horspool Family, Brett (the Dad), Melissa (the Mom), Max age 12 and Ace age 9. We live in Farr West in an older ranch style home that we have remodeled. Our house has 5 bedrooms and 3 bathrooms. We love to play games together and our favorite past time is to travel. Over the last 12 years we have opened our home to 54 foster children. Melissa works at the IRS and Brett works in law enforcement. All while Max and Ace work hard in school.

We live in a cul-de-sac, in a neighborhood with great neighbors. We attend the local LDS ward each week. We sit down together most nights for family dinner. We have a mostly outside dog-named Hunter. He is an English springer spaniel. We are fans of the Utah Jazz and love watching the games.

Ace plays competitive soccer all year. Max loves to be outside building things and riding his bike. Melissa loves puzzles and making crafts. Brett loves to fish and play the piano.

*We are excited to meet you!*
